MOTHER'S RUIN

GIN BARREL AGED SOUR 7.0%

Mother's Ruin is a golden sour beer, fermented using three different yeast strains and lightly soured using Lactobacillus buchneri. A blend of spices, including cardamom, cumin, douch and star anise were added to the boil, along with Savinjski Goldings hops to add a touch of bitterness. Following fermentation, this beer was aged for 12 weeks in gin barrels, sourced from the Aquitaine region of France. Bottled with champagne yeast, Mother's Ruin has evolved into something very special, with a gentle acidity, notes of elderflower and orange blossom and a just a hint of sharp juniper.

MIND GAMES

GIN BARREL AGED SAISON 8.5%

Mind Games, is a collaboration with Firestone Walker. This classic Saison-style beer has been brewed using three different yeast strains and the finest Savinjski Goldings then aged in gin barrels from Bordeaux for eight months. The result is a wonderfully effervescent golden Saison with impressions of lemon and juniper. Mind Games is an almost bright, golden colour with initial peppery notes of chamomile and candied orange. Classic Saison characteristics of lemon, pineapple and vanilla come through on the palate, with a gentle impression of juniper and toasted oak.
